

The Scientific Committee is pleased to announce the 5th PSHWM | CE-WM 2021 and welcomes your abstracts for oral and e-poster presentation on the following topics:

- Ash
- Bio-waste & bio-energy
- Carbon emissions reduction
- Chemical & biochemical treatment
- Circular economy
- Climate change & waste management
- Communication & social issues
- Composting & biological treatment
- Construction & industrial wastes
- Education and Laws & Policies
- Environmental impacts
- Facility siting & contaminated sites
- Food wastes
- Healthcare & hazardous waste
- Integrated solid waste management
- Landfill and leachate
- Micro plastic & marine litter
- Mining & mineral waste
- Public involvement
- Sludge & wastewater
- Technology
- Waste composition & generation studies
- Waste minimization, recycling, and reuse
- Waste-to-energy

The PSHWM | CE-WM Conferences hope to bring together Researchers, Scientists, Academe, Government, Professionals, industry, NGOs, and civil society to disseminate research results, new ideas, and practical experiences in waste management, as well as, facilitate an open and constructive dialogue between multi-sector stakeholders towards resolving waste problems.

PSHWM | CE-WM 2021 will give special attention to insights and case studies regarding the shift from linear to circular economy, cleaner technologies & best practices, bio-waste & bio-energy, waste-to-energy, and successful zero waste initiatives.

GUIDELINES & REQUIREMENTS

- Presenting authors and co-authors are responsible for registration, travel, and hotel costs.
- Authors must present the data and information as it appears in their accepted abstract.
- Only abstracts of authors who have paid their registration fees by **October 1, 2021** will be scheduled for presentation.
- All abstracts shall be submitted and presented in English.
- Abstracts and presentations will be compiled and made available to participants.
- Any presenter who is unable to attend may arrange for another qualified individual to present the paper. If such a change is necessary, please notify the Secretariat.
- Instructions for preparation of oral and e-poster presentations will be sent together with acceptance notifications.
- The Committee will endeavor to schedule abstracts according to authors' preferences but reserves the right to decide on the final form of presentation.

WHO CAN SUBMIT AN ABSTRACT?

Anyone is eligible to submit an abstract on a related topic. We highly encourage students, both undergraduate and graduate. We encourage that you work with your faculty adviser or mentor before submitting an abstract.

There is no limit to the number of abstracts you wish to submit; both for oral and e-poster presentations. However, you cannot submit the same abstract for oral presentation and e-poster.

IMPORTANT DATES

Abstracts due: **August 16, 2021**
Author notification: **August 31, 2021**
Author registration due: **October 1, 2021**

ABSTRACT TEMPLATE

- Title of Abstract
- Details of Presenting Author & Co-Authors
- Name & Address of Organization/
- Affiliation
- Email address & contact number/s
- 300-word maximum abstract, 12 font size

Save abstract file as **Last Name_First Name** and email to PSHWM2021@gmail.com or online at http://PSHWM2021.website2.me.
